

# Paperback Exchange

No checkout required!

Just inside the back lobby, you'll find a shelving unit full of paperbacks free for the taking. Patrons have the choice of reading and returning to trade again, or keeping the traded books for their personal collection.

While most titles tend to be the harlequin romance novels, they're not limited to one genre. The selection varies!

The library is always grateful for the donation of paperbacks to keep this service available to our patrons!
